

Chesapeake Occupational Therapy Associates, LLC

All Pediatric Practice

Career Opportunities with Chesapeake Occupational Therapy Associates, LLC – an
all pediatric outpatient practice

We currently have 3 positions available

1. Staff Occupational Therapist/Occupational Therapy Practitioner – Full time
2. Staff Occupational Therapist/Occupational Therapy Practitioner – Part Time
3. Part time Occupational Therapist/Occupational Therapy Practitioner for Saturdays
and/or evenings

We provide extensive training, mentorship, and support for our team of excellent
therapists. We welcome new graduates, experience is not required.

Chesapeake Occupational Therapy Associates, LLC provides individualized therapy and
group sessions. We provide standardized testing for all children, as appropriate, with
specific goals and objectives. We provide services for children with autism spectrum
disorder, ADHD/ADD, cerebral palsy, developmental coordination disorder, Rett
Syndrome, “picky eaters”, and other neurological disorders.

We also provide group sessions for social skills, “picky eaters”, and handwriting.

All therapy is provided by licensed Occupational Therapists or Occupational Therapy
Assistants.

If you would like to apply for a position, please call our office at: 410-280-8774.
